The Members

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the consolidated financial statements of Oakmont Senior Living LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 31, 2021 and 2020, and the related consolidated statements of operations, changes in members' deficit, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of Oakmont Senior Living LLC and Subsidiaries as of December 31, 2021 and 2020, and the results of their operations and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audits in accordance with auditing standards generally accepted in the United States of America ("GAAS"). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Oakmont Senior Living LLC and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakmont Senior Living LLC and Subsidiaries ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with U.S. GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Oakmont Senior Living LLC and Subsidiaries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Oakmont Senior Living LLC and Subsidiaries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements of Oakmont Senior Living LLC and Subsidiaries taken as a whole. The 2021 consolidating information presented on pages 21 through 24 is presented for purposes of additional analysis and is not a required part of the consolidated financial statements. Such consolidating information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The consolidating information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the consolidating information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

### NOTE 1 – DESCRIPTION OF OPERATIONS AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

**Description of operations** – Oakmont Senior Living LLC was formed on November 1, 2000, as a California limited liability company. Oakmont Senior Living LLC, purpose is to develop, construct, operate, lease, and own apartments, independent living, assisted living, and continuing care retirement communities. Oakmont Senior Living LLC operates retirement facilities it owns or leases, located in Alameda, Santa Rosa, Palm Desert, and Brea, California.

**Basis of accounting and principles of consolidation** – The consolidated financial statements are presented on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America (“GAAP”) and include the accounts of Oakmont Senior Living LLC and the following entities (the “Company”):

Oakmont SL of Alameda, LP	Varenna Assisted Living, LLC
Varenna at Fountaingrove, LLC	OSL Limited Partner of Alameda, LLC
Varenna, LLC	Segovia Operations, LLC
Varenna Apartments, LLC	Fountaingrove Lodge, LLC
Cardinal Point at Mariner Square, LLC	Capriana Operations, LLC
Cardinal Point Social Club, LLC	OSL of Alameda, LLC

All significant transactions between these entities have been eliminated.

The Company adopted accounting standards that address consolidation by business enterprises of variable interest entities (“VIEs”). The Company has considered its agreements and business activities with related parties in order to determine whether any of the relationships would qualify as VIEs and whether the Company would be deemed to be the primary beneficiary and be required to consolidate the activities of these VIEs in the Company's consolidated financial statements.

The Company has identified certain related entities with common ownership as VIEs and has concluded that it is not the primary beneficiary in accordance with GAAP, primarily due to the fact that the Company does not have a direct ownership and ultimately the members of such entities control and support the activities that most significantly impact operations. Each of these entities has been financed either through capital contributions or related party debt, some of which was provided by the Company (see Note 3). The Company has no contractual obligation to support the operations of these entities; however, it may voluntarily elect to provide additional direct or indirect support based on each business's objectives and cash-flow needs.

The power to direct the activities of these entities was evaluated in making this determination and the Company concluded that the members of the entities, and not the Company, hold this decision-making power. Further, it was concluded that the members of the entities have the obligation to absorb potential losses and the right to receive the benefits derived from the entities. The Company does not believe they are exposed to any future losses from the relationship with these entities.

Total liabilities and members' deficit	<u>\$ 21,121,100</u>	<u>\$ 99,449,200</u>

**Use of estimates** – The preparation of consolidated financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported assets and liabilities at the date of the consolidated financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

**Concentration of risk** – Financial instruments potentially subjecting the Company to concentrations of credit risk consist primarily of demand deposits and other cash accounts (including restricted amounts) that may be in excess of Federal Deposit Insurance Corporation insured limits, and accounts receivable.

**Cash and cash equivalents** – The Company considers all highly liquid investments, with an original maturity of three months or less when purchased, to be cash and cash equivalents.

### Notes to Consolidated Financial Statements

---

**Restricted cash** – Restricted cash consists of collections for entrance fee deposits, operating expense impound accounts required by the Company's lenders, and restricted cash accounts used as collateral as required by one of the Company's lenders.

The following table provides a reconciliation of cash and cash equivalents and restricted cash reporting within the consolidated balance sheets that sum to the total of the same such amounts shown in the consolidated statements of cash flows at December 31:

	2021	2020
Cash and cash equivalents	\$ 32,991,000	\$ 32,231,800
Restricted cash	6,583,200	6,110,100
Total cash and cash equivalents and restricted cash shown in the consolidated statements of cash flows	<u>\$ 39,574,200</u>	<u>\$ 38,341,900</u>

**Accounts receivable and other assets** – Accounts receivable and other assets consist of trade receivables, receivables from tenants, deposits, and prepaid expenses. Accounts receivable consists of payments owed from residents for services rendered, which does not represent concentrated credit risks to the Company. Management regularly monitors and adjusts its reserves and allowances related to these receivables. Accounts deemed to be uncollectible are written off only after all reasonable collection efforts are exhausted. At December 31, 2021 and 2020, no allowance for doubtful accounts was deemed necessary.

**Investments in real estate** – Investments in real estate are recorded at the lesser of cost or estimated fair-market value, if impaired, and include interest and property taxes capitalized on long-term construction projects during the construction period, as well as other costs directly related to the development and construction of facilities. Maintenance and repairs are charged to expense as incurred. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets as follows:

Buildings and improvements	30 to 40 years
Furniture, fixtures, and equipment	3 to 10 years

The Company reviews its investments in real estate for impairment whenever events or changes in circumstances indicate that the cost basis of such assets may not be recoverable. If the cost basis of an investment in real estate is greater than the projected future undiscounted net cash flows (before interest) from that property, an impairment loss is recognized. Impairment losses are calculated as the difference between the property's cost basis and its estimated fair value. No such impairment losses have been recognized to date. An investment in real estate held for sale is carried at the lower of its carrying amount or estimated fair value, less costs to sell. The Company considers an investment in real estate held for sale when the property is being actively marketed for sale and expects it to sell within one year. There were no properties held for sale at December 31, 2021 and 2020.

**Debt issuance costs** – Debt issuance costs are stated at cost and consist of fees incurred in connection with the debt obligations. These costs are amortized on a straight-line basis over the term of the associated indebtedness, which approximates the effective interest method. The unamortized costs are classified as a reduction to the debt obligations. The Company paid no loan costs for the years ended December 31, 2021 and 2020. The Company incurred amortization expense related to debt issuance costs of \$120,500 for each of the years ended December 31, 2021 and 2020.

### Notes to Consolidated Financial Statements

---

**Entrance fees refundable** – Residents pay an entrance fee to occupy a unit and pay monthly fees for housing, food, and services. The Company has residency agreements that require the resident to pay an upfront entrance fee prior to joining the community that is 100% refundable within 90 days of occupancy. Certain contracts require the refundable portion of the entrance fee to be refunded only upon resale of the unit (contingently refundable). Upon resale, the Company may receive re-occupancy proceeds in the form of additional contingently refundable fees, refundable fees, or nonrefundable fees. The refundable portion of a resident's entrance fee is recorded as a liability on the consolidated balance sheets. Entrance fees subject to refund totaled \$194,391,200 and \$190,757,300 at December 31, 2021 and 2020, respectively. It is management's expectation that future refunds will not have a significant effect on the consolidated financial statements.

**Deferred rent** – Deferred rent consists of the difference between the amount recognized as rent expense and the amount of rent paid due to step increases in the lease agreement.

**Revenue recognition** – On January 1, 2019, Oakmont Senior Living LLC and its subsidiaries adopted Accounting Standards Codification ("ASC") Topic 606, *Revenue from Contracts with Customers* ("ASC 606"), and its related amendments, collectively known as ASC 606.

**Amortization of entrance fees nonrefundable** - After the initial 90 days of occupancy, the entrance fees are a combination of refundable and nonrefundable in accordance with the terms of the contracts. The nonrefundable portion of the entrance fee is recorded as an entrance fee nonrefundable liability and amortized over the estimated life of the resident based on an actuarial valuation.

Entrances fees nonrefundable were \$27,526,900 and \$27,526,800 at December 31, 2021 and 2020, respectively. Revenue recognized from amortization of entrance fees nonrefundable totaled \$4,826,500 and \$4,433,500 for the years ended December 31, 2021 and 2020, respectively.

**Rental revenue** – The Company's operations include leasing apartment units. Rental income is recognized in revenue on a straight-line basis over the lives of the related leases when collectability is reasonably assured. The lease terms are generally for periods of one year or less. Differences between the rental revenue recognized and amounts due under the respective lease agreements with terms in excess of one year are recorded as deferred rent receivable, which was \$0 as of December 31, 2021 and 2020. Ongoing credit evaluations are performed and an allowance for potential credit losses is provided against the portion of accounts receivable that is estimated to be uncollectible.

Resident fee revenue, presented as continuing care and noncontinuing care contracts, is recorded when services are rendered and consist of fees for basic housing, support services, and fees associated with additional services, such as personalized health and assisted living care. Residency agreements are generally for a term of 30 days to one year, with resident fees billed monthly in advance. Revenues for certain care services provided are also charged in advance. Additional ancillary charges are billed monthly in arrears. As of December 31, 2021 and 2020, approximately \$713,700 and \$818,300, respectively, has been recorded in deferred revenue related to fees paid by applicants prior to occupancy.

**Advertising** – The Company expenses its advertising costs as they are incurred. Advertising expenses amounted to \$816,400 and \$732,500 for the years ended December 31, 2021 and 2020, respectively.

**Income taxes** – The Company is taxed as a partnership for federal and state purposes. As a partnership, all federal and state income tax liability flows through to the Company's members. No provision for income taxes is included in the accompanying consolidated financial statements.

### Notes to Consolidated Financial Statements

---

The Company follows the accounting standard related to accounting for uncertain tax positions. The standard prescribes a recognition threshold and measurement process for accounting for uncertain tax positions and also provides guidance on various related matters, such as derecognition, interest, penalties, and disclosures required. The Company does not have any entity-level uncertain tax positions. The Company files income tax returns in the U.S. federal jurisdiction and the State of California. The Company recognizes interest and penalties related to income tax matters in operating expenses. There are no interest and penalties recorded in the consolidated financial statements for the years ended December 31, 2021 and 2020.

**Obligation to provide future services** – If the present value of estimated future cash outflows to provide services to residents exceeds the present value of estimated future cash inflows from residents, a liability is recognized. The Company has determined that no accrual for the obligation to provide future services and use of facilities to current residents was required at December 31, 2021 and 2020. The discount rate used to calculate the obligation to provide future services is 5%.

**Statutory cash reserve requirements** – The Company is subject to statutory cash reserve requirements. At December 31, 2021 and 2020, the Company's reserves were in excess of such requirements by \$10,773,600 and \$9,335,200, respectively, as calculated in accordance with the Continuing Care Contract Statutes of the California Health and Safety Code.

**Recent accounting pronouncements** – In February 2016, the FASB issued Accounting Standards Update ("ASU") No. 2016-02, *Leases (Topic 842)*, which provides a new model for accounting by lessees, whereby the rights and obligations under substantially all leases, existing and new, would be capitalized and recorded on the consolidated balance sheet. For lessors, however, the accounting remains largely unchanged and the distinction between operating and finance leases is retained. ASU 2016-02 is effective for annual periods beginning on or after December 15, 2021. Early application is permitted for all entities. The Company is currently evaluating the impact of the new standard and has not yet determined if it will have a material impact on its consolidated financial statements.

**Reclassifications** – Certain 2021 and 2020 amounts have been reclassified to conform to correct-year presentation with no effect on the results of operations or members' deficit.

**Subsequent events** – Subsequent events are events or transactions that occur after the consolidated balance sheet date, but before the consolidated financial statements are issued. The Company recognizes, in the consolidated financial statements, the effects of all subsequent events that provide additional evidence about conditions that existed at the date of the consolidated balance sheet, including the estimates inherent in the process of preparing the consolidated financial statements. The Company's consolidated financial statements do not recognize subsequent events that provide evidence about conditions that did not exist at the date of the consolidated balance sheet but arose after the consolidated balance sheet date and before the consolidated financial statements were available to be issued. The Company has evaluated subsequent events through April 27, 2022, which is the date the consolidated financial statements were available to be issued, in accordance with the Company's policy related to disclosures of subsequent events.

### NOTE 7 – EXTRAORDINARY EVENT

During October 2017, Sonoma and Napa Counties, experienced wildfires that impacted or destroyed many homes and structures. As a result of the wildfires, Varena Assisted Living, LLC, was completely destroyed, while Varena, LLC, and Fountaingrove Lodge experienced fire damage that required repair. Varena Assisted Living LLC reopened in August 2019. During October 2019, Varena Assisted Living, LLC, Varena, LLC, and Fountaingrove Lodge, LLC, had to evacuate during the Kincadee fire. The Company and its related properties are fully insured against fire-related events and coordinates with the insurance providers to recover the costs related to fire damage. Fire-related expenses include business interruption expenses, temporary relocation costs, employee reimbursements, evacuation costs, and remediation costs, which are accounted for as other expenses as incurred. Fire-related loss includes loss due to destroyed property and equipment and is recorded upon the complete destruction of the property. As such, the loss is recorded as other expense in the consolidated statements of operations. Insurance recovery proceeds include payments from the insurance providers to recover the costs relating to fire-related expenses or fire-related loss. Insurance proceeds in excess of recognized losses are recorded as gains. There were no gains recorded relating to fire-related events during the years ended December 31, 2021 and 2020. During the years ended December 31, 2021 and 2020, the Company has recognized the following fire-related expenses, losses, and insurance recoveries:

	2021	2020
<b>FIRE-RELATED EXPENSES:</b>		
Varena Assisted Living, LLC	\$ -	\$ (183,700)

#### NOTE 8 – CONTINGENCIES

**Environmental matters** – The Company is not aware of any environmental liability with respect to the properties that would have a material adverse effect on the Company's business, consolidated assets, or consolidated results of operations. There can be no assurance that such a material environmental liability does not exist. The existence of any such material environmental liability could have an adverse effect on the Company's consolidated results of operations.

**Litigation** – The Company may be involved, from time-to-time, in legal actions relating to the ownership and operations of its properties. In management's opinion, the liabilities, if any, that may ultimately result from such legal actions are not expected to have a material adverse effect on the consolidated financial position, results of operations, or cash flows of the Company.

**COVID-19** – During the year ended December 31, 2020, the World Health Organization declared the novel coronavirus (COVID-19) a global pandemic and recommended containment and mitigation measures worldwide. Public health crises, pandemics, and epidemics, such as those caused by COVID-19, could have a material adverse effect on global, national, and local economics, as well as on the Company's business by disrupting supply chains and delaying transactional activities. Any spread of an infectious illness, public health threat, or similar issue could reduce consumer demand or economic output, result in market closures, cause travel restrictions or quarantines, and generally have a significant impact on the economy. This contagious disease outbreak, which has continued to spread, and any related adverse public health developments, has adversely affected workforces, customers, economies, and financial markets globally, potentially leading to an economic downturn. It has also disrupted the normal operations of many businesses and organizations, including the Company's. The potential impact of a pandemic, epidemic, or outbreak of a contagious disease on business is difficult to predict and could have a material adverse effect on the Company's results of operations and financial condition. The Company will continue to monitor the situation closely, but given the uncertainty and volatility about the situation, an estimate of the impact to the consolidated financial statements cannot be made at this time.

#### NOTE 9 – LEGAL SETTLEMENT

During the year ended December 31, 2020, the Company was involved in a class-action lawsuit involving community fees that was settled during the year. The settlement resulted in a financial loss to the Company in the amount of \$1,340,321 and was accrued for in the financial statements as of December 31, 2020. The settlement was paid by the Company during the year ended December 31, 2021.

## **Report of Independent Auditors**

The Members  
Capriana Operations LLC

### **Report on the Financial Statements**

#### ***Opinion***

We have audited the financial statements of Capriana Operations LLC (the “Company”), which comprise the continuing care liquid reserve schedules, Form 5-1 through Form 5-5 for the year ended December 31, 2021, and the related note to the financial statements.

In our opinion, the accompanying financial statements referred to above present fairly, in all material respects, the continuing care reserve of the Company as of and for the year ended December 31, 2021, in conformity with the liquid reserve requirements of California Health and Safety Code Section 1792.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor’s Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capriana Operations LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### ***Basis of Accounting***

We draw attention to the basis of accounting used to prepare the financial statements. The financial statements are prepared by the Company on the basis of the liquid reserve requirements of California Health and Safety Code Section 1792, which is a basis of accounting other than accounting principles generally accepted in the United States of America, to meet the requirements of California Health and Safety Code Section 1792. Our opinion is not modified with respect to this matter.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the liquid reserve requirements of California Health and Safety Code Section 1792, and the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement, whether due to fraud or error.

### ***Auditor's Responsibility for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may include collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for purpose of expressing an opinion on the effectiveness of Capriana Operations LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capriana Operations LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

***Other Matter***

Our audit was conducted for the purpose of forming an opinion on the financial statements, as a whole. The accompanying supplementary schedules, the Reconciliation of Form 5-3 and Form 5-4 for 2021 and the DSS – Reserve Report – Part of Form 5-5 Description of Reserves under SB 1212 Report, are presented for the purpose of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of financial statements, and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements, or the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements, taken as a whole.

***Restriction on Use***

Our report is intended solely for the information and use of the members, management of the Company, and the California Department of Social Services, and is not intended to be, and should not be, used by anyone other than these specified parties.

## FORM 7-1 REPORT ON CCRC MONTHLY CARE FEES

---

Complete **Form 7-1** to report the monthly care fee increase (MCFI) for **each** community operated by the Provider. If no adjustments were made during the reporting period for a community, indicate by checking the box below **Line [2]**. Providers must complete a separate Form 7-1 for each of their continuing care retirement communities.

1. On **Line 1**, enter the amount of monthly care fees for each level of care at the *beginning* of the reporting period.
2. On **Line 2**, indicate the percentage(s) of increase in fees implemented during the *reporting* period.
3. On **Line 3**, indicate the date the fee increase was implemented. If more than one (1) increase was implemented, indicate the date(s) for each increase.
4. Check *each* of the appropriate boxes.
5. Provide a detailed explanation for the increase in monthly care fees including the total dollar amount for the community overall and corresponding percentage increase for each level of care in compliance with the Health and Safety Code. The explanation shall set forth the reasons, by department cost centers, for any increase in monthly care fee. It must include if the change in monthly care fees is due to any actual or projected costs related to any other CCRC community or enterprise affiliated with the provider or parent company.

The methodology used to budget future costs should align with one or more of the following factors: “projected costs, prior year per capita costs and economic indicators.” Describe the methodology used for single or multiple communities. If there are multiple MCFI percentages, i.e., by level of care, a separate explanation for each MCFI will be required.

Also, if there is a positive result of operations, the provider will need to explain how the funds will be used and/or distributed consistent with disclosures made in the applicable sections of the Continuing Care Contract.

**This attachment should include the data used in the Monthly Care Fee Increase meeting presentation provided to residents, which will also include actual results and an explanation of any variances.**

**NOTE:** Providers shall retain all documents related to the development of adjusted fees at their respective communities for a period of at least three years, i.e., budgets, statements of operations, cost reports, used near the end of the prior fiscal year to develop adjustments implemented in the current reporting period. These documents must be available for review upon request by the Department.

Business Insurance is expected to increase 23.7% in FY2021 as insurance companies increase rates.

# CAPRIANA

FORM 7-1 [5] Requirement:

## **Explanation of Increases in Monthly Care Fees, Fiscal YE December 31, 2021**

Capriana's continuing care contract allows for monthly fees to be increased annually based on financial indicators. The Provider is responsible for reviewing financial indicators and determining the amount of increases. Increase amounts are scheduled to take place on the anniversary date of each individual contract being executed, beginning May 1, 2021.

For fiscal YE December 31, 2021, the increase in service fees for residents entering into Continuing Care Contracts was 4.0%. The total dollar amount of the increase for the community is reflected on Form 7-1 Attachment, Lines 6 & 7.

The methodology for calculating the 2021 service and fee increase included review of 2020 per capita costs, then projecting 2021 costs in consideration of the following economic indicators:

Wage pressure and low unemployment has caused labor costs to increase. Labor costs expected to increase 10% from FY 2020 actual.

Employee Benefits costs expected to rise 7.9% from FY 2020 actual.

Business Insurance is expected to increase 23.7% in FY2021 as insurance companies increase rates.

Any positive result of operations will be retained and applied towards future capital needs.

All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract, or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.

## DEPOSIT ACCOUNT INFORMATION

(Disregard if you have a Commercial Account)

### IN CASE OF ERRORS OR QUESTIONS ABOUT YOUR ELECTRONIC TRANSFERS

Please call or write us at the phone number or address on the front side of this statement as soon as you can if you think your statement or receipt is wrong or if you need more information about a transfer or receipt. We must hear from you no later than sixty (60) days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and account number.
2. Tell us the dollar amount of the suspected error.
3. Describe the error or the transfer you are unsure about and explain, as clearly as you can, why you believe it is an error or why you need more information.

We will investigate your complaint and will correct any error promptly. If we take more than ten (10) business days to do this, we will credit your account for the amount you think is in error, so that you will have use of the money during the time it takes to complete our investigation.
