A complete annual report must consist of 3 copies of all of the following:

- ☒ Annual Report Checklist.
- ☒ Annual Provider Fee in the amount of: \$5,336.00
 - ☒ If applicable, late fee in the amount of: \$1,000.00
- ☒ Certification by the provider's **Chief Executive Officer** that:
 - ☒ The reports are correct to the best of his/her knowledge.
 - ☒ Each continuing care contract form in use or offered to new residents has been approved by the Department.
 - ☒ The provider is maintaining the required liquid reserves and, when applicable, the required refund reserve.
- ☒ Evidence of the provider's fidelity bond, as required by H&SC section 1789.8.
- ☒ Provider's audited financial statements, with an accompanying certified public accountant's opinion thereon.
- ☒ Provider's audited reserve reports (prepared on Department forms), with an accompanying certified public accountant's opinion thereon. (NOTE: Form 5-5 must be signed and have the required disclosures attached (H&SC section 1790(a)(2) and (3)).
- ☒ "Continuing Care Retirement Community Disclosure Statement" for **each** community.
- ☒ Form 7-1, "Report on CCRC Monthly Service Fees" for **each** community.
- ☐ Form 9-1, "Calculation of Refund Reserve Amount", if applicable.
- ☐ Key Indicators Report (signed by CEO or CFO (or by the authorized person who signed the provider's annual report)). The KIR may be submitted along with the annual report, but is not required until 30 days later.

(Title)

FORM 7-1 REPORT ON CCRC MONTHLY CARE FEES

Complete **Form 7-1** to report the monthly care fee increase (MCFI) for **each** community operated by the Provider. If no adjustments were made during the reporting period for a community, indicate by checking the box below **Line [2]**. Providers must complete a separate Form 7-1 for each of their continuing care retirement communities.

1. On **Line 1**, enter the amount of monthly care fees for each level of care at the *beginning* of the reporting period.
2. On **Line 2**, indicate the percentage(s) of increase in fees implemented during the *reporting* period.
3. On **Line 3**, indicate the date the fee increase was implemented. If more than one (1) increase was implemented, indicate the date(s) for each increase.
4. Check *each* of the appropriate boxes.
5. Provide a detailed explanation for the increase in monthly care fees including the total dollar amount for the community overall and corresponding percentage increase for each level of care in compliance with the Health and Safety Code. The explanation shall set forth the reasons, by department cost centers, for any increase in monthly care fee. It must include if the change in monthly care fees is due to any actual or projected costs related to any other CCRC community or enterprise affiliated with the provider or parent company.

The methodology used to budget future costs should align with one or more of the following factors: "projected costs, prior year per capita costs and economic indicators." Describe the methodology used for single or multiple communities. If there are multiple MCFI percentages, i.e., by level of care, a separate explanation for each MCFI will be required.

Also, if there is a positive result of operations, the provider will need to explain how the funds will be used and/or distributed consistent with disclosures made in the applicable sections of the Continuing Care Contract.

This attachment should include the data used in the Monthly Care Fee Increase meeting presentation provided to residents, which will also include actual results and an explanation of any variances.

NOTE: Providers shall retain all documents related to the development of adjusted fees at their respective communities for a period of at least three years, i.e., budgets, statements of operations, cost reports, used near the end of the prior fiscal year to develop adjustments implemented in the current reporting period. These documents must be available for review upon request by the Department.

FORM 7-1
REPORT ON CCRC MONTHLY CARE FEES

	RESIDENTIAL LIVING	ASSISTED LIVING	MEMORY CARE	SKILLED NURSING
Monthly Care Fees at beginning of reporting period: (Indicate range, if applicable)	3,519 - 8,166	N/A	4,044 - 8,178	N/A
Indicate percentage of increase in fees imposed during reporting period: (Indicate range, if applicable)	5%	N/A	5%	N/A

☐ Check here if monthly care fees at this community were not increased during the reporting period. (If you checked this box, please skip down to the bottom of this form and specify the names of the provider and community.)

3. Indicate the date the fee increase was implemented: May 1, 2022
(If more than one (1) increase was implemented, indicate the dates for each increase.)

4. Check each of the appropriate boxes:

☒ Each fee increase is based on the Provider's projected costs, prior year per capita costs, and economic indicators.

☒ All affected residents were given written notice of this fee increase at least 30 days prior to its implementation.

Date of Notice: December 9, 2021 Method of Notice: Memo for distribution

☒ At least 30 days prior to the increase in fees, the designated representative of the Provider convened a meeting that all residents were invited to attend. Date of Meeting: December 9, 2021

☒ At the meeting with residents, the Provider discussed and explained the reasons for the increase, the basis for determining the amount of the increase, and the data used for calculating the increase.

☒ The Provider distributed the documents to all residents by [Optional - check all that apply]:

☒ Emailed the documents to those residents for whom the provider had email addresses on file

☒ Placed hard copies in resident cubby

☒ Placed hard copies at designated locations

☒ Provided hard copies to residents upon request, and/or

☒ Other: [please describe] Activity room

☒ Date of Notice: November 18, 2021

- ☒ The Provider provided residents with at least 14 days advance notice of each meeting held to discuss the fee increases.

Date of Notice: November 18, 2021

- ☒ The governing body of the Provider, or the designated representative of the Provider posted the notice of, and the agenda for, the meeting in a conspicuous place in the community at least 14 days prior to the meeting.

Date of Posting: November 18, 2021 **Location of Posting:** Activity room

- ☒ Providers evaluated the effectiveness of consultations during the annual budget planning process at a minimum of every two years by the confining care retirement community administration. The evaluation, including any policies adopted relating to cooperation with residents was made available to the resident association or its governing body, or, if neither exists, to a committee of residents at least 14 days prior to the next semiannual meeting of residents and the Provider's governing body and posted a copy of that evaluation in a conspicuous location at each facility.

Date of Posting: November 18, 2021 **Location of Posting:** Activity room

5. On an attached page, provide a detailed explanation for the increase in monthly care fees including the amount of the increase and compliance with the Health and Safety Code.

PROVIDER: Oakmont Senior Living

COMMUNITY: Capriana

CAPRIANA

FORM 7-1 [5] Requirement:

Explanation of Increases in Monthly Care Fees, Fiscal YE December 31, 2022

Capriana's continuing care contract allows for monthly fees to be increased annually based on financial indicators. The Provider is responsible for reviewing financial indicators and determining the amount of increases. Increase amounts are scheduled to take place on the anniversary date of each individual contract being executed, beginning May 1, 2022.

For fiscal YE December 31, 2022, the increase in service fees for residents entering into Continuing Care Contracts was 5.0%.

The methodology for calculating the 2022 service and fee increase included review of 2021 per capita costs, then projecting 2022 costs in consideration of the following economic indicators:

Utilities expense increased around 12% over the 2021 budget.

Total payroll salaries increased 15% growth in FY 2022 over FY 2021. The minimum wage in California increased 7.5%.

The Consumer Price Index (CPI) rose 6.1% for food expenses and 2.1% for medical care.

Any positive result of operations will be retained and applied towards future capital needs.

Resident Representative(s) to, and Resident Members on, the Board:

(briefly describe provider's compliance and residents' roles): The Governing Body Member meets with residents and/or the resident association at least semi-annually. Residents can convey concerns and provide input during those meetings or anytime to the resident mgmt team.

All providers are required by Health and Safety Code section 1789.1 to provide this report to prospective residents before executing a deposit agreement or continuing care contract or receiving any payment. Many communities are part of multi-facility operations which may influence financial reporting. Consumers are encouraged to ask questions of the continuing care retirement community that they are considering and to seek advice from professional advisors.

Report of Independent Auditors

The Member
WELL Oak CCRC Tenant LLC

Report on the Audit of the Financial Statements

Opinion

We have audited the financial statements of WELL Oak CCRC Tenant LLC, which comprise the balance sheet as December 31, 2022, and the related statements of operations, changes in member's deficit, and cash flows for the period from July 7, 2022 (Commencement of Operations) to December 31, 2022, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of WELL Oak CCRC Tenant LLC as of December 31, 2022, and the results of its operations and its cash flows for the period from Commencement of Operations to December 31, 2022 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of WELL Oak CCRC Tenant LLC and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about WELL Oak CCRC Tenant LLC's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of WELL Oak CCRC Tenant LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about WELL Oak CCRC Tenant LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the WELL Oak CCRC Tenant LLC basic financial statements. The supplementary information presented on pages 14 through 17 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with GAAS. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

WELL Oak CCRC Tenant LLC

Notes to Financial Statements

1. Description of Operations

WELL Oak CCRC Tenant LLC (the Company) was formed in April 2022 under the laws of the state of Delaware. The Company was organized to acquire assisted living facilities and to provide for the varying lifestyle needs of seniors and elderly residents. The three continuing care retirement communities (the Communities) are Segovia of Palm Desert Tenant (Segovia), Capriana at La Floesta Tenant (Capriana) and Fountain Grove Tenant (Fountain Grove).

Welltower TRS Holdco, LLC (WELL TRS) is the sole member of The Company. The sole member of WELL TRS is Welltower OP Inc., which is wholly owned by Welltower Inc., a publicly traded real estate investment trust.

The Company has a management agreement with Oakmont Management Group LLC (Oakmont) to manage the Communities.

2. Summary of Significant Accounting Policies

Basis of Accounting

The Company's financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles ("U.S. GAAP").

Use of Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Estimates and assumptions are used for, but not limited to, depreciation and amortization, allowance for doubtful accounts, discount rates, imputed interest, useful life estimates and other contingencies. Actual results could differ from those estimates and assumptions.

Concentration of Risk

Financial instruments that potentially expose the Company to concentrations of credit risk consist principally of cash and cash equivalents on deposit with financial institutions, the balances of which frequently exceed federally insured limits, and accounts receivable.

If any of the financial institutions with whom the Company does business were to be placed into receivership, the Company may be unable to access to the cash the Company has on deposit with such institutions. If the Company is unable to access its cash and cash equivalents as needed, the Company's financial position and ability to operate its business could be adversely affected.

Cash and Cash Equivalents

Cash and cash equivalents include all highly liquid investments with an original maturity of three months or less. Throughout the year, the Company may have cash balances in excess of federally insured amounts on deposit with various financial institutions.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)**Accounts Receivable and Other Assets**

Accounts receivable and other assets consist of trade receivables, receivables from tenants and prepaid expenses. Accounts receivable consists of payments owed from residents for services rendered, which does not represent concentrated credit risks to the Company. The Company provides an allowance for doubtful accounts on its outstanding receivables balance and regularly monitors and adjusts its reserves and allowances related to these receivables. Accounts deemed to be uncollectible are written off only after all reasonable collection efforts are exhausted. At December 31, 2022, no allowance for doubtful accounts was deemed necessary.

Investments in Real Estate

Tangible assets are depreciated on a straight-line basis over their estimated useful lives, which are 12 years for building improvements and three to five years for furniture, fixtures and equipment. Tangible assets primarily consist of building improvements and furniture and fixtures. Tangible assets are reviewed for impairment to determine if facts or circumstances suggest that the assets may be impaired or that the depreciable life may need to be changed. If external factors and the projected undiscounted cash flows of the assets over the remaining depreciation period indicate that the asset will not be recoverable, the carrying value is reduced to the estimated fair value less cost to sell. No such indicators were identified as of December 31, 2022.

Entrance Fees

Residents pay an entrance fee to occupy a unit and pay monthly fees for housing, food and services. The Company has residency agreements that require the resident to pay an upfront entrance fee prior to joining the community that is 100% refundable within 90 days of occupancy. Certain contracts require the refundable portion of the entrance fee to be refunded only upon resale of the unit (contingently refundable). Upon resale, the Company may receive re-occupancy proceeds in the form of additional contingently refundable fees, refundable fees or nonrefundable fees. The refundable portion of a resident's entrance fee is recorded as a liability on the balance sheet.

After the initial 90 days of occupancy, the entrance fees are a combination of refundable and nonrefundable in accordance with the terms of the contracts. The nonrefundable portion of the entrance fee is recorded as an entrance fee nonrefundable liability and recognized into revenue over the estimated life of the resident. The Company uses a third party actuarial expert to determine the estimated life of each resident. The unamortized portion is classified as a liability on the balance sheet. Entrances fees nonrefundable were \$14,264,021 at December 31, 2022.

Revenue Recognition

Revenue is recorded in accordance with Accounting Standards Codification (ASC) 606. Operating revenue consists of resident fee revenue, including resident community fees. Revenue from monthly resident fees is predominantly service-based, and generally is recognized monthly as services are provided. Rental income is recognized in revenue on a straight-line basis over the lives of the related leases when collectibility is reasonably assured. The lease terms are generally for periods of one year or less. Although there are various tasks and activities performed by the Company under the contracts, such as support services, personalized health and assisted living care, the Company has determined that all resident care services are a single performance obligation, which is satisfied over time as the services are rendered.

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Interest-bearing Note Receivable

As further discussed in Footnote 3, the Company has two notes receivable from WELL PropCo which were issued to the Company in conjunction with the assumption of entrance fee liabilities upon the commencement of operations. The Company believes, after reviewing ASC 505, *Equity*, the classification of the notes receivable as a contribution to paid-in-capital in Member's Equity on the balance sheet is appropriate as the ability and intent to have the notes paid-in-full in a reasonably short period of time is not expected. In addition, interest income due from the notes receivable will be recorded in Member's Equity.

Advertising

The Company expenses its advertising costs as they are incurred. Advertising expenses amounted to \$59,151 for the period from July 7, 2022 (commencement of operations) to December 31, 2022.

Income Taxes

No provision has been made for federal or state income taxes, since the liability for such taxes, if any, is that of the sole member of WELL TRS. The Company has no uncertain tax positions as of December 31, 2022.

Statutory Cash Reserve Requirements

The Company is subject to a statutory cash reserve requirements. At December 31, 2022, the Company's reserves were in compliance with such requirements as calculated in accordance with the Continuing Care Contract Statutes of the California Health and Safety Code.

Leases

In February 2016, the FASB issued Accounting Standards Update (ASU) 2016-02, *Leases* (ASC 842), which requires lessees to recognize assets and liabilities on their balance sheet related to the rights and obligations created by most leases, while continuing to recognize expenses on their income statements over the lease term. ASC 842 also eliminates the requirement for an entity to use bright-line tests in determining lease classification. It also requires disclosures designed to give financial statement users information regarding amount, timing and uncertainty of cash flows arising from leases. The Company adopted ASC 842 as of July 7, 2022 (commencement of operations). The adoption had a material impact on the Company's balance sheet but did not have a material impact on the statement of operations. The Company has made an accounting policy election to keep short-term leases less than twelve months off the balance sheet for all classes of underlying assets.

Right of use (ROU) assets represent the Company's right to use, or control the use of, a specified asset for the lease term. Lease liabilities are the Company's obligation to make lease payments arising from a lease and are measured on a discounted basis. Operating lease ROU assets and operating lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term on the commencement date. The operating lease ROU asset includes any lease payments made. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Company will exercise that option. Lease expense for minimum lease payments continues to be recognized on a straight-line basis over the lease term. The operating lease ROU assets are included within the Company's non-current assets and lease liabilities are included in current and non-current liabilities on the Company's balance sheet.

WELL Oak CCRC Tenant LLC

Notes to Financial Statements (continued)

2. Summary of Significant Accounting Policies (continued)

Recently issued Accounting Standards

In 2016, the Financial Accounting Standards Board (FASB) issued ASU No. 2016-13, "*Measurement of Credit Losses on Financial Instruments*." This standard requires a new forward-looking "expected loss" model to be used for resident fee receivables. ASU 2016-13 is effective for fiscal years beginning after December 15, 2022. The Company is currently evaluating the impact that the standard will have on its financial statements.

3. Transactions With Affiliates

As of December 31, 2022, the Company had amounts due from related parties of \$92,227,912 which are recorded as a contribution to paid-in-capital in the member's deficit section of the balance sheet. One note receivable agreement with WELL PropCo is a non-interest bearing note receivable to the Company for \$13,965,525 for entrance fees nonrefundable assumed by the Company at closing. The other note receivable agreement with WELL PropCo is an interest bearing note receivable, with an interest rate of 4.10%, to the Company for \$79,889,351 for the refundable entrance fee liabilities assumed by the Company at closing. The balance of the related interest receivable was \$1,626,964 at December 31, 2022. During the period from July 7, 2022 (commencement of operations) to December 31, 2022, the Company recorded interest earned on the note receivable of \$1,626,964 on this note as a component of equity. Both notes receivable are payable on demand. The Company also has an accounts receivable balance due from related parties for \$1,595,018 which is recorded in the net accounts receivable and other assets section of the balance sheet.

The Company has a lease agreement with WELL PropCo as further described in Note 4.

4. Operating Lease

The Company's lease agreement is with WELL PropCo to lease the real property in Brea, California, Palm Desert, California and Santa Rosa, California. The lease agreement has an initial term of 15 years that expires on July 7, 2037 and has two renewal options of an additional five years each. The annual base rent due under the terms of the lease agreement with WELL PropCo is fixed, and cannot be revised by WELL PropCo during the first three years. As a result, rent expense in the statement of operations was recognized on a straight-line basis for the year ended December 31, 2022. Effective at the start of the 4th year of the lease, and every three years thereafter, WELL PropCo is able to revise the current rent payments to reflect the current fair market rental value.

Rent expense was \$2,969,256 during the period from July 7, 2022 (commencement of operations) to December 31, 2022.

WELL Oak CCRC Tenant LLC
Notes to Financial Statements (continued)

4. Operating Lease (continued)

At December 31, 2022, the undiscounted future lease payments of lease liabilities are as follows:

2023	\$ 5,971,500
2024	5,971,500
2025	5,971,500
2026	5,971,500
2027	5,971,500
Thereafter	<u>56,825,565</u>
Total undiscounted cash flows	86,683,065
Less: present value discount	<u>(14,264,956)</u>
Total present value	72,418,109
Less: current portion	<u>(4,178,126)</u>
Total non current portion	<u><u>\$ 68,239,983</u></u>

5. Contingencies

The Company may be involved, from time to time, in legal actions relating to the ownership and operation of the Communities. In management's opinion, the liabilities, if any, that may ultimately result from such legal actions are not expected to have a material adverse effect on the financial position, results of operations, or cash flows of the Company.

6. Subsequent Events

The Company has reviewed subsequent events through July 28, 2023, the date the financial statements were available for issuance. Subsequent to December 31, 2022, on April 30, 2023, the sole Member of the Company distributed its 100% interest in the Company to Welltower OP, which contributed its 100% interest in the Company to CCRC TRS Holdco LLC. There have been no other events subsequent to the balance sheet date which require disclosures or adjustment in these financial statements.
